Whether you're setting up a stage for entertainment, or planning your company's events, we will help you design and implement your own unique display of sound and lighting.

*"I only recommend Audio Plus for anything audio/video"*  
-Pat Purtell, President - Oshkosh Tavern League  
Owner of Terry's Bar & Lounge, Oshkosh, WI

*"I now really see the value of high quality lighting"*  
-Mike Reader  
Co-Owner of Route 66, Appleton, WI

When you're putting in a dance floor, or just tuning up your existing system, our club lighting dazzles and impresses with numerous colors and designs. Options include: moving heads, scanners, lasers, and various effects machines that produce fog, snow, bubbles, or foam.

Choose from quality sound and lighting brands including: American DJ, Behringer, Allen & Heath, Martin Lighting, AKG, QSC, DBX, EV, Elation, and Community.

Options of closed circuit capabilities include: high resolution color or black & white cameras, time lapse tape or digital recordings, utilization of multiple cameras, and monitoring via the internet.

*"If these guys can't do it, it can't be done"*  
-Brian Skars  
Owner of Mr. Bob's, Rice Lake, WI

Since its establishment in 1975, the dedicated and experienced staff at Audio Plus has focused on providing customers with quality products and service. We service all of Wisconsin and its surrounding area and we look forward to working with you.
