How do you do this? Let Audio Plus help you design and customize a Security and/or Surveillance System. Do you want to protect your property? We can help. Monitored with a national monitoring company? We can help. From multiple camera, digital video recording with internet viewing capabilities, to just a few cameras to feel more secure at home or at your business.

Choose from top brand quality products including GE, Pelco, Sanyo, and Honeywell. Since its establishment in 1975, the dedicated and experienced staff at Audio Plus has focused on providing clients with quality products and service. We cater to all of Wisconsin and its surrounding areas. We treat each installation as if it was our own and we look forward to working with you.
